## Advertise your aircraft FREE

As an additional member benefit, AOPA offers  
**FREE** classified advertising for aircraft sales in  
*General Aviation* magazine. *General Aviation*  
reaches thousands of active pilots, of whom 39  
percent are already aircraft owners. This is a far  
higher percentage than any other aviation  
magazine in the UK, and many commercial  
advertisers already recognise *General Aviation* as a  
primary marketing tool. Members who wish to  
advertise their aircraft should email a photograph  
of the plane, and a concise description - no more  
than 30 words - together with their name, contact  
details and AOPA membership number to  
freeads@richmondaviation.co.uk. If you can't  
remember your AOPA number, you can get it from  
the office on 0207 834 5631. Adverts will run for  
two issues, unless aircraft are sold earlier, and  
there is a maximum of two different ads each  
year. Terms and conditions, as they say, apply.
