AVGAS 100LL and JET A1

Cyma Petroleum (UK) Ltd is an independent British petrol company specialising in marketing and distributing aviation fuels. We currently supply avgas 100LL and Jet A1 which are imported from approved refineries. Cyma is an approved MOD contractor and a BSI registered company.

Cyma's quality products are offered at competitive prices and we are known for our speedy delivery service. Delivery throughout the United Kingdom is by road tanker and around the world by ISO tank containers, which can be shipped by road, rail or sea.

For more information, contact either Andreas Michaelides or Robin Morgan at our head office, both of whom are keen pilots.

Time to join AOPA!

Call 020 7834 5631 or www.joinaopa.com

The leading edge in General Aviation...

Only AOPA offers complete peace of mind to the GA pilot. With expertise in aviation law, aircraft engineering, aviation medicine and airfield protection, we're here to fight for pilots, especially in a crisis.

AOPA members also get six issues of our magazine General Aviation a year, access to our complete website and AOPA worldwide.

www.aopa.co.uk

“ We have always supported AOPA because it does a worthy job for general aviation. We need an organisation like AOPA to fight the threats to aviation that are all around us. ”
