Advertise your aircraft FREE

As an additional member benefit, AOPA offers
FREE classified advertising for aircraft sales in
General Aviation magazine. *General Aviation*
reaches thousands of active pilots, of whom 39
percent are already aircraft owners. This is a far
higher percentage than any other aviation
magazine in the UK, and many commercial
advertisers already recognise *General Aviation*
as a primary marketing tool. Members who wish
to advertise their aircraft should email a
photograph of the plane, and a concise
description - no more than 30 words - together
with their name, contact details and AOPA
membership number to
freeads@richmondaviation.co.uk. If you can't
remember your AOPA number, you can get it
from the office on 0207 834 5631. Adverts will
run for two issues, unless aircraft are sold
earlier, and there is a maximum of two different
ads each year. Terms and conditions, as they
say, apply.
