Advertise your aircraft FREE

As an additional member benefit, AOPA offers **FREE** classified advertising for aircraft sales in *General Aviation* magazine. *General Aviation* reaches thousands of active pilots, of whom 39 percent are already aircraft owners. This is a far higher percentage than any other aviation magazine in the UK, and many commercial advertisers already recognise *General Aviation* as a primary marketing tool. Members who wish to advertise their aircraft should email a photograph of the plane, and a concise description - no more than 30 words - together with their name, contact details and AOPA membership number to freeads@richmondaviation.co.uk. If you can't remember your AOPA number, you can get it from the office on 0207 834 5631. Adverts will run for two issues, unless aircraft are sold earlier, and there is a maximum of two different ads each year. Terms and conditions, as they say, apply.
